A Wonderful Record.

As made up by improved and exact processes for Pierce's Favorite Prescription is a most efficient remedy for regulating all the womanity functions, correcting displacements, as prolapsus, antiversion and rotroversion, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. It cures the backache, periodical headaches, the dragging-down distress in the pelvic region, the pain and tenderness over flower abdominal region, dries up the pelvic catarrhai drain, so disagresable and weakening, and overcomes every form of weakness incident to the organs distinctly femiline.

MEN ARE POWERLESS

To Fight Against Strike at the ...derlying Cause.

To treat Dandruff, and Falling Hair, with irritants or oils on which a parasitic germ will prosper, is like scooping water from the ocean to prevent the tide from rising.

You cannot accomplish a satisfactory cure without having a right understanding of the fundamental causes of the trouble.

You must kill the Dandruff Germ.

You must kill the Dandruff Germ.

Newbro's Herpfelde does this because it is specially made to do that very thing.

mayor Boyden closed all the saloons, and a determined effort was being made to give the accused a li trial. Search lights were thrown on the building in which the negroes were confined and no one was allowed to enter the enclosure. There was one woman defendant, who was charged with holding a light for others while they killed Lyerly, his wife plaid mixture and two children.

The negroes were taken to Salisbury from Charlotte Sunday night without military guard, the authorities seeming to have no fear that any violence would

The tracedy was one of the most horrible ever enacted in North Carolina. Negroes entered the Lylerly house be tween one and two o'clock in the morn-ing, when all the family were asleep and killed Mr. Lyerly, 69 years old; Mrs. Lyerly, 43 years old; their son, 9 years old, and a 6-year old daughter, besides fatal wounding the 7-year-old lnughter, whose skull was crushed. The parents and son were sleeping in the rout room on the first floor, there being three daughters sleeping on an upper floor. The latter were unmolested, and were awakened by smoke and flames from below, the criminals having set fire to the house. Two of the girls descended the stairs to awaken their father and other. On reaching their room they scheld an appalling scene, their father, nother and brother being still in their to ds, but dead. Their heads were crushed and their faces badly disfigured. Through courageous efforts the two elder daugh- Guaranteed ters, Mary and Addie, aged 18 and 16, respectively, managed to carry the bodies Sewing Machines from the house and extinguish the flames. The weapons used by the criminals was an axe. It was taken from the woodnile, and after the crime was thrown under the porch. There was a great deal

The Hot Waye.

New York was like a huge griddle resterday. The heat was intense and aundreds of thousands suffered. Twelve deaths occurred yesterday that were directly attributable to the heat, while a number of people were prostrated. At p. m. the official temperature on the op of the Westher Bureau's observatory, 00 feet above the sidewalk, indicated 93 degrees, while some thermometers on the sidewalks indicated as much as 102 degrees. At 6 o'clock yesterday evendegrees. At 6 o'clock yesternay even-ing the mercury was still up in the nineties, but a slight breeze sprang up a few hours later, which cooled the at-mosphere somewhat, but not sufficient to afford much relief. It was the hot-test day of the summer.

Yesterday afteruoon Bottery Park held the biggest crowd on record. Early in the day the wilted multitude overflowed he benches and began to pre-empt the

The clang of the ambulance bell was in evidence every few minutes, and scores were taken to hospitals suffering from heat, where they obtained ice and ing beverages, something they could not get until they were taken ill because of the abnormal price of ice. Crazed, it is supposed by the heat, Michael Maher, of Brooklyn, assaulted his wife with a knife last night and, after inflicting wounds which caused the woman's death, stabbed himself.

Another Charge Against Thaw. The controversy as to whether Harry K. Thaw was ever sued by Ethel Thomas continued in New York yesterday, Joseph A. Shay, the lawyer who appeared for the Thomas girl, produced papers to show that the suit was started, and, in

addition, he says that the summons and complaint were served on Thaw as he stepped into an automobile after leaving the Waldorf-Astoria. That was on Janu; ary 6, 1902.

Mr. Shay produced the complaint. In it Ethel Thomas says that about January
